

NORTH FAMBRIDGE YACHT CLUB

Commodores Sail Past

15th September 2019.

1st boat past the flag ship at 13.00hrs.

High Water North Fambridge 14.42 hrs.

Dear Members

Following the successful sail past last year, we have decided to repeat the event this year, therefore if you wish to join in as a ship of the line then please let us have your intentions. (Your name & boat you will be sailing).

When we have the list of boats we will arrange the sail past order.

This an opportunity to dress your pride and joy overall and take part in what was a spectacular event last year.

The club burgee will be flown from the Flag ship (Holly) and returned to the club flagpole after the sail past, followed by a cheese & wine celebration, in the club house.

Holly will be stationed at anchor to the East of the moorings, boats taking part should use the water between "Short Pole" and the flagship to join the line, turning to starboard to pass Holly, heading East towards Burnham, with your ensign dipped.

Any queries please ask, I look forward to seeing you on the day.

Best wishes

Nick
